# Direct Deposit Payments

If you are the organiser of a Christmas party, we understand how much work is involved.

One of the biggest challenges you face is the collection of deposits and final payments, as many people do not carry cash or cheque books with them. There is also the added problem of storing the money safely and securely until you can pop into the hotel.

Our aim is to make to your life easier.

Members of your party can call us with their credit or debit card details and pay for their deposit / final payment direct. We will also accept cash and cheques direct.

They will need to provide the following information:

Date and time of booking	Name of the booking.
Name	Amount of deposit / final payment they wish to pay.

# How it works

We will keep a list of everyone in your party who has paid, along with the amount they have paid.

We will not send receipts to individual people, but periodically send them to the party organiser, along with a list of who has paid.

It is the responsibility of the party organiser to remind any members of their party who have not paid their deposit.

Please ensure all members of your party are aware of our terms and conditions. (pages 10 & 11)

## Can I still pay in one lump sum?

If you would prefer to collect deposits from everyone in your party and pay us one sum, either by cash, cheque or credit card, you can continue to do so.

**If you have any questions please do not hesitate to contact us on 01329 822622**
